

# Highlighted New Features

## Know Your Zone

New evacuation zones have been established across campus and an interactive map with these zones can be found on our website at [em.uci.edu](http://em.uci.edu).

## Transportation Access Points

Transportation Access Points (TAPs) have been established predominately at designated bus stop locations to provide transportation assistance during evacuation.

## Emergency Action Plan

The Emergency Action Plan posted at all building entrances, stairwells and elevators will now feature assembly area locations, zone assignment, accessible exits and a QR code for quick additional emergency response procedures.

## Campuswide Signage

Outdoor signage for evacuation zones, assembly areas, and transportation access points will be posted throughout campus.

## Red Flip Chart Update

Printable one-page Emergency Response Procedure guide is available online to replace the outdated Red Flip Chart at [em.uci.edu](http://em.uci.edu) under the Emergency Response Procedures tab.
