You are invited to join UCI CERT Leadership Team

To become a CERT Leadership Team Member, you must:

- Have completed a previous CSAR or CERT course
- Be an active member
- Be available to meet quarterly
- Be available to attend additional meetings, trainings, or exercises that may be scheduled as needed

The CERT Leadership serves as a steering committee to support and advance the Community Emergency Response Team on campus. The team will establish the strategic direction for the program. Additionally, the leadership team is responsible for establishing annual outreach, training, and exercise goals for current CERT team members as well as developing recruitment strategies to build the program.

CERT members in leadership positions are encouraged to take the CERT Train-the-Trainer and Program Manager Courses. Find more information through the Emergency Management Institute (EMI) and signup for course offerings.
